

**Amendment to the Specification:**

At page 37, line 1, please amend Table 1 from the previous Amendment of October 25, 2004, to read as follows. The downward arrow in the second line under the Second electrode should be in the second column, not the third.

TABLE 1

Electrode	Polarity of applied voltage - microorganism migration direction			
First electrode	-	NC	+	-
	↓	.	.	↓
Second electrode	+	-	NC	+
	.	↓	.	.
Third electrode	NC	+	-	NC
	.	.	↓	.
Fourth electrode	-	NC	+	-
	↓	.	.	↓
